

The 2010 Stamp-a-thon Fundraiser for the National Breast Cancer Foundation

Yes it is that time of year again, for the annual Stamp-a-thon for the National Breast Cancer Foundation!

We have had three very successful Stamp-a-thons in the past, to raise money for the National Breast Cancer Foundation. Those who have attended are still talking about it!

I am sure that being a woman who could be diagnosed with the life threatening disease at anytime you can understand that it would be a very difficult trial to live through. So we thought we could help to give back to those that have or have had to suffer through the agony of being diagnosed with Breast Cancer by doing what we love best.**STAMPING!**

So far we have received positive response from the Foundation about the event as well as support from Stampin'Up!
